

# DRIVING SAFETY REQUEST FORM

## TO REQUEST DRIVING SAFETY:

Under the laws of the State of Texas, you may be able to have this charge dismissed by taking a driving safety course. You must receive permission from the Court before taking the course. However, you cannot have the charge dismissed by taking a driving safety course if you are charged with a speeding violation of 25 Mph or more above the posted speed limit, for an offense that occurred in a construction zone while workers are present, or if you have a commercial driver's license.

I hereby make a plea of **No contest** to the attached moving traffic violation and request that the court defer proceedings in my case for 90 days so that I may complete an approved driving safety course, present a certificate of completion, along with a certified copy of my driving record obtained from Texas DPS and have the court dismiss my case. I understand that failure to complete the class within the 90 day period will result in a Show of Cause hearing.

- 1) I have a valid Texas driver's license that is not a commercial license and have included a copy.
- 2) I have not completed a driving safety course or motorcycle operator training course in the preceding 12 months from the date I received this citation.
- 3) I am not currently taking a driving safety course or motorcycle operator training course; nor, have I completed one that is not yet reflected on my driving record.
- 4) I enclosed proof of financial responsibility for the date on which I received my citation.
- 5) **I further understand that this form must be signed, notarized, and submitted with the administrative fee of \$109.00 by the appearance date on my citation.**
