

City of Roman Forest

Temporary Culvert / Logging Permit Application

Permit # _____

City Ordinance 425-19 sec. E (15) Temporary driveways are any driveway intended for short term usage, such as during logging, construction, as an alternate construction route or any other interior use. Temporary driveways will be of sufficient standard for the intended purpose, but in no case will the standardss be less than:

- (a) Ditch flow will not be impeded
- (b) The entrance will allow access by emergency vehicles during all weather conditions
- (c) The entrance will not create adverse impacts on existing roadways and shall be maintained

City Ordinance 218-B sec. 2.0 - A logging permit is required when removing (7) seven or more trees 4" or more in diameter within a 12-month calendar year. Additional sections of the ordinance are noted below.

Sec. 3.0 Time Frame for Completion - 60 days to complete

Sec. 4.0 Parking in Right-of-Way PROHIBITED

Sec. 5.0 Refund of Deposit - requires inspection
